Cookie Policy of mappvate.com

Welcome to the cookie policy of mappvate.com. This policy will help you understand what cookies and tracking technologies we use, how we use them and what your rights are in relation to it.

Latest update: October 28, 2026

Introduction

This document informs Users about the technologies that help this Website to achieve the purposes described below. Such technologies allow the Owner to access and store information (for example by using a Cookie) or use resources (for example by running a script) on a User's device as they interact with this Website.

For simplicity, all such technologies are defined as "Trackers" within this document – unless there is a reason to differentiate.
For example, while Cookies can be used on both web and mobile browsers, it would be inaccurate to talk about Cookies in the context of mobile apps as they are a browser-based Tracker. For this reason, within this document, the term Cookies is only used where it is specifically meant to indicate that particular type of Tracker.

Some of the purposes for which Trackers are used may also require the User's consent. Whenever consent is given, it can be freely withdrawn at any time following the instructions provided in this document.

This Website uses Trackers managed directly by the Owner (so-called "first-party" Trackers) and Trackers that enable services provided by a third-party (so-called "third-party" Trackers). Unless otherwise specified within this document, third-party providers may access the

Trackers managed by them.
The validity and expiration periods of Cookies and other similar Trackers may vary depending on the lifetime set by the Owner or the relevant provider. Some of them expire upon termination of the User's browsing session.
In addition to what's specified in the descriptions within each of the categories below, Users may find more precise and updated information regarding lifetime specification as well as any other relevant information — such as the presence of other Trackers — in the linked privacy policies of the respective third-party providers or by contacting the Owner.

How this Website uses Trackers

Necessary

This Website uses so-called “technical” Cookies and other similar Trackers to carry out activities that are strictly necessary for the operation or delivery of the Service.

Trackers managed directly by the Owner

Cookie consent preferences

This Website stores the User's choice about optional cookies (analytics and marketing) in a first-party cookie named *mvt_consent*, so the choice is respected on later visits. The cookie contains only the consent choice and is kept for up to 6 months. The User can change the choice at any time through the cookie settings link in the footer.

Measurement

This Website uses Trackers to measure traffic and analyze User behavior to improve the Service.

Trackers managed by third parties

Google Analytics 4

Google Analytics 4 is a web analysis service provided by Google Ireland Limited ("Google"). Google utilizes the Data collected to track and examine the use of this Website, to prepare reports on its activities and share them with other Google services. Google may use the Data collected to contextualize and personalize the ads of its own advertising network. In Google Analytics 4, IP addresses are used at collection time and then discarded before Data is logged in any data center or server. Users can learn more by consulting Google's official documentation.

In order to understand Google's use of Data, consult their partner policy and their Business Data page.

Marketing

This Website uses Trackers to deliver ads or marketing content, and to measure their performance.

Trackers managed by third parties

Meta ads conversion tracking (Meta pixel)

Meta ads conversion tracking (Meta pixel) is an analytics service provided by Meta Platforms Ireland Limited that connects data from the Meta Audience Network with actions performed on this Website. The Meta pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Meta Audience Network.

Personal Data processed:

How to manage preferences on this Website

Users can set or update their preferences via the relevant privacy choices panel available on this Website.

With regard to any third-party Trackers, Users can manage their preferences via the related opt-out link (where provided), by using the means indicated in the third party's privacy policy, or by contacting the third party.

How to control or delete Cookies and similar technologies via your device settings

Users may use their own browser settings to:

- See what Cookies or other similar technologies have been set on the device;
- Block Cookies or similar technologies;
- Clear Cookies or similar technologies from the browser.

The browser settings, however, do not allow granular control of consent by category.

Users can, for example, find information about how to manage Cookies in the most commonly used browsers at the following addresses:

- Google Chrome
- Mozilla Firefox
- Apple Safari
- Microsoft Internet Explorer
- Microsoft Edge
- Brave
- Opera

Users may also manage certain categories of Trackers used on mobile apps by opting out through relevant device settings such as the device advertising settings for mobile devices, or tracking settings in general (Users may open the device settings and look for the relevant setting).

How to opt out of interest-based advertising

Notwithstanding the above, Users may follow the instructions provided by YourOnlineChoices (EU and UK), the Network Advertising Initiative (US) and the Digital Advertising Alliance (US), DAAC (Canada), DDAI (Japan) or other similar services. Such initiatives allow Users to select their tracking preferences for most of the advertising tools. The Owner thus recommends that Users make use of these resources in addition to the information provided in this document.

The Digital Advertising Alliance offers an application called AppChoices that helps Users to control interest-based advertising on mobile apps.

Consequences of denying the use of Trackers

Users are free to decide whether or not to allow the use of Trackers. However, please note that Trackers help this Website to provide a better experience and advanced functionalities to Users (in line with the purposes outlined in this document). Therefore, if the User chooses to block the use of Trackers, the Owner may be unable to provide related features.
